

HEADTEACHER MESSAGE

"Do it big, do it right and do it with style."

This week we have seen our younger children in school put on three amazing performances of 'Born in a Barn' for our parents and carers. Everyone tried so hard to learn their lines, remember their actions and dance moves and it all came together beautifully. I was blown away by children's confidence and it made me smile seeing how much they enjoyed being a part of this year's nativity - well done to our KS1 children!

In the news this week

British litter-pickers have become world champions in the litter-picking World Cup (also known as the SpoGomi World Cup) after sifting through nearly 60 kilograms of rubbish in the Japanese capital to win the first-ever contest of its kind. The British team, made up of Sarah Parry and brothers Alexander and Jonathan Winship, beat teams from 20 other nations from around the world. SpoGomi is named after a combination of 'sport' and 'gomi', the Japanese word for rubbish. Each team is equipped with protective gloves, metal tongs and waste bags, and allocated an area of five square kilometres (nearly two square miles) in the busy Shibuya district of Tokyo, to collect as much litter as possible.

Things to talk about at home...

- > Share your experience of litter in your local area. Is it a problem? Have you ever been litter-picking?
- > What do you believe rubbish is? Ask others at home. Do you all think the same?
