

## HEADTEACHER MESSAGE

I would like to start my first BGL newsletter by thanking everyone who has gone out their way to welcome me into the BGL family. It is my privilege to be working with you for the summer term. I will endeavour to do everything I can to ensure that the high standards of nurture, care and teaching, stay at the heart of everything we do. Please do come over and say hello when I am on the gate in the morning or contact me via an email or phone call, if you have something you wish to share or something I can help with.

Having been a Headteacher for seven years, I know there are no quiet school terms, however the summer one is always particularly action packed. I look forward to making some happy memories with you and your children. I am confident that with your continued support, we will make the summer term a very special one indeed!

## SPOTLIGHT ON DONALDSON CLASS

This week in Donaldson Class we have begun looking at Goldilocks and the Three Bears. We have loved our new role play area and have also enjoyed writing questions for Goldilocks. We couldn't believe it when Goldilocks actually wandered into our classroom this week and we got to interview her about her actions!

## BGL CAR PARK

We would like to remind parents that school's car park is for **STAFF USE ONLY**. Parents must not use the carpark for drop off and pick up unless this has been arranged with the headteacher prior to use.

## QUIDITCH DAY

A reminder that Monday 22nd April is 'Quidditch Day'! Please can all children come to school in PE kits. A letter from the PTFA was sent to your inbox earlier this week with further details.

## PUZZLE CLUB

Miss Islam's Puzzle Club will now take place on Thursdays, commencing on Thursday 25th April, from 3.00 to 4.00pm.

## SCHOOL LUNCHES

Please ensure that you have ordered your child's lunches on school grid for next week. lunches can be ordered termly if this is more convenient for you.

## BIRTHDAY SHOUT OUTS!

Happy birthday to the children who have been celebrating this week and a big 'THANK YOU' to:

Robert in Y2 for the Usborne book '100 Science Experiments'.

## BEHAVIOUR FOCUS

Well done for a fantastic first week back. I have been really impressed with behaviour around school and KS2 have been setting a great example for the rest of the school during assembly and whole school time.

## TAKEHOME

Can you learn to persevere?

## In the news this week

Scottish runner, Jasmin Paris, has become the first female runner to complete what is thought by many to be the world's toughest race. Jasmin is one of only twenty people to have successfully completed the Barkley Marathons in Tennessee, USA. She crossed the finish line in March with less than 100 seconds to spare before the 60-hour cut-off time. Jasmin said she wanted to inspire others and test the limits of her capabilities.

## Things to talk about at home

- > Can you imagine how Jasmin might have felt when she finished the event? Make a list of the different feelings you believe she may have had.
- > Can you think of a time when you found something really difficult? Were you able to complete the challenge or task? Talk about the experience and what you learned from it.
