

## Headteacher Message

'Small acts when multiplied by lots of people, can transform the world.'

It was a true delight to welcome so many of you into school to enjoy a lunch with your child, cooked by Mrs Fairhurst and her team. And what a team they are! They transformed our hall into our BGL restaurant with the best seats in the house going to all of our guests. Thank you to our kitchen staff for going above and beyond for our children and our families. I thoroughly enjoyed my first experience of such a special lunch time. Mrs Fairhurst may allow me into the kitchen next year to serve a few roast dinners myself! Enjoy the weekend

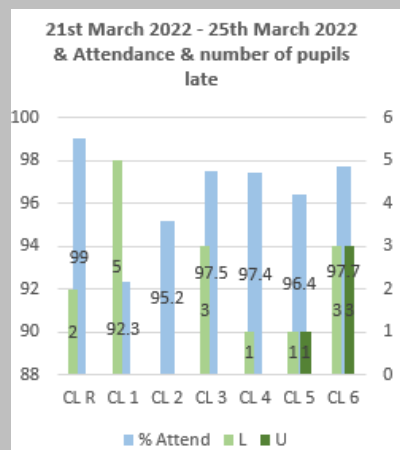

Mrs L. Wilson.

### If you keep trying, will you always succeed?

## In the news this week

The shipwreck of Sir Ernest Shackleton's ship, Endurance, has been found 107 years after it became trapped in ice and sank off the coast of Antarctica. The Falklands Maritime Heritage Trust said the ship, which had not been seen since it sank in 1915, was found by a robot at a depth of 9,868 feet (3,008 metres). Footage of the wreck shows it has been very well preserved, with the ship's wheel still intact and the name 'Endurance' still visible on the ship's stern.

### Things to talk about at home ...

- > How do you think the team felt when they found the Endurance shipwreck over 100 years after the ship sank?
- > Can you think of a time when you've persevered and achieved something, perhaps not on your first attempt?
- > Why do you think failure is harder for many of us to deal with than success?
