

**Headteacher Message**

"You are never too old to set a new goal or to dream a new dream."

Welcome back to the summer term. The children have settled back into school wonderfully and have been busy working on new units of learning. This afternoon, the corridors have been filled with sounds of cheering, gasps of awe and classrooms have been a sea of smiles as our visitors have engrossed our children in discussion with their explanations of their job roles. Thank you to all of our visitors for giving up their time to inspire our children.

Mrs L.Wilson

**PTFA**

Please see attached a thank you letter from save the children. A donation of £75 was made. This was raised from the PTFA Christmas jumper day.

An huge thank you to the PTFA for arranging the free Easter trial for the children of BGL and for the donations of the chocolate eggs for BGL's Easter bingo.

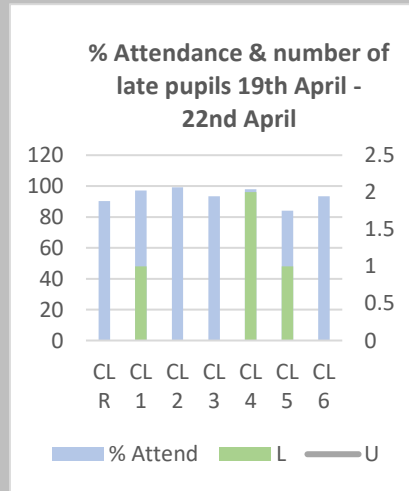

**PTFA lottery winner**

Congratulations to this week's lottery winner...

- 1 May

## Should pets be protected more than other animals?

## In the news this week

Access to a new scheme offering free pet healthcare across 38 European countries, is now available to Ukrainian refugees, who have left the country with their pets to avoid the conflict. Refugees will be able to have treatment costs covered for up to five dogs, cats, horses or other animals as a result of the effort by Humane Society International (HSI). The project, called, Vets for Ukrainian Pets, will provide up to £209 per pet for care and medication.

### Things to talk about at home ...

- Do you have any pets at home? Share your experience of keeping animals at home.
- Can you think of any examples of animals that people own that aren't pets? E.g., farm animals.
- Do you think the project, Vets for Ukrainian Pets is a good idea? Share your thoughts on the project. Do you think any more can be done to help the pets of the refugees?

Please note any interesting thoughts or comments
