

Our vision at Brindle Gregson Lane Primary School is that all children enjoy and develop positive attitudes to Physical Education and sport.

Through Physical Education and sport we aim to:-

- Improve fitness, health and well-being.***
- Promote active participation and lifelong learning.***
- Allow each child to fulfil their potential.***

Expected Outcomes of Sports Premium and how we will measure impact:

- Greater overall staff understanding of how to plan, deliver and assess the impact of PE lessons.
- Positive feedback from PE Leader's lesson observations. Standard of PE lessons continues to improve.
- Increased teacher confidence in delivering a wider range of PE sessions. A higher number of teachers will be confident in planning and delivering PE lessons.
- The majority of children within school will be fit and healthy with a good understanding of health and well-being.
- Children across all key stages will take part in and enjoy PE. They will be enthusiastic about learning new sports and gaining new skills.
- A greater number of children will take part in competitions, both in-house and competing against other schools, compared with 2016/17.
- After School Sports Clubs will continue to grow in popularity and be an integral part of school life. More children to be accessing After School Sports Clubs than during 2015/16.
- To begin to introduce sporting activities during lunchtimes through the development of the playground area.
- Audit of PE at end of school year to reveal school is well resourced and has a wider range of resources available to staff and pupils compared with 2015/16.

Range of Sports offered at BGL in the Year 2016-17:

- Netball
- Football
- Rugby
- Cricket
- Dodgeball
