

Sports Premium at BGL

The Sports Funding is an allocation of additional funding provided to schools to enhance the quality of Physical Education that the children receive. As a school, we are reporting on the amount of funding received and how this is being used.

At Brindle Gregson Lane we received £8000 plus an additional £5 per pupil.

This money is being used in a number of different ways to support the provision of improved quality of sports and PE for all pupils:

- To provide Specialist Sports Teaching through South Ribble Sports Partnership. Each class benefitted from a range of Specialist Sports coaches throughout the year such as for example Rugby coaching, Scoot Safe, Tots on Tyres (cycling for Reception), Dance training (Year 5).
- To provide CPD for all staff through South Ribble Sports Partnership.
- To collaborate with South Ribble Sports Partnership and other Primary Schools to enable our pupils to take part in at least Level 2 competitions and Inclusion events with the local Authority/Local Area.

During the 2015/16 Academic Year, children from Brindle Gregson Lane Primary School took part in the following events:

- Indoor Athletics Competition
- Key Stage 1 and 2 Inclusion Events
- Central Venue Football League
- Leyland Swimming Gala
- Boys and Girls Cricket Competition within the Local Authority
- Netball League

Our high participation in in Sporting Events has resulted in our school being awarded the Gold School Games Mark for the 2015/16 Academic Year.

Remaining funds will be carried over to 2016/17 where planned provision includes the full time use of a sports coach who will join us Lostock Hall Academy for 1 day a week and will teach PE to all classes across the school throughout the year. Miss Rennox will also be running after school clubs throughout the year specifically linked to training our children for participation in Local Sports Competitions.
