

Sports Premium at BGL

Sport Premium Grant

Background

The Government is providing funding of £150 million per annum for academic years 2013/14 and 2014/15 to provide new, substantial primary school sport funding (the funding may continue after this but this has not been confirmed by the DfE). This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children / develop healthy lifestyles.

The purpose of the funding is that schools will have to spend the sport funding in improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Allocation

Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2013.

Based on a full year all schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil. Smaller schools will receive £500 per pupil.

Spending:

This money is being used in a number of different ways to support the provision of improved quality of sports and PE for all pupils:

How we are spending the funding:

Academic Year 2014/15

Activities/Initiatives	Cost
South Ribble Sports Partnership Infrastructure	£1,200
Subject Leader CPD	£400
